

Parents,

This is the beginning of an exciting new year for your child. We are looking forward to a successful year in the seventh grade. The most important motivation needed for success is a student's desire to learn and succeed. When educators and families work as a team, we can ensure that our children are presented with every opportunity to do so. Therefore, we have adopted the middle school concept to ensure this happens.

To help students become more organized, independent, and effective learners, each student received an assignment notebook at registration. It is filled with helpful information about how to study more effectively, how to take notes, along with many pages of information to help with specific subject areas. We are requiring that each student bring this with them to class every day. It may be helpful for your child to bring this assignment notebook home each day. This way, you will be aware of homework that your child may still need to complete. We cannot stress enough the importance of students completing homework. We encourage you to keep up with your student's grades and homework by checking edline at www.edline.net. If you do not have or do not remember your password, please contact Mr. Worthington at the middle school.

Attached, you will find a copy of the homework policy and discipline plan for the seventh grade. We are asking that you review the plan, complete the bottom, and return the bottom portion only for our records. We welcome your suggestions and comments. If you have any questions, please call the school at 217-784-8731. We are available between 1:05 and 1:40 and before school. If these times are inconvenient for you, leave a message, and we can return your call. You may also check the 7th grade team website at www.qcms.k12.il.us
Thank you for your cooperation.

Sincerely,

Ms. Gibson Mrs. Thames Mrs. White Mr. Hoogstraat Mrs. Kearfott
Mr. Deters Mrs. McClure Mrs. Doman
